

DATE: 22 March 1974

TO: Mr. [redacted] OSR
Mr. [redacted] D/OVI

SUBJECT:

Attached is a package sent to Ed Proctor and [redacted] which relates to matters in which you both have clear responsibilities. I did not make you addressees on the covering letter largely for form's sake. I thought noses might be disjointed if there were three CIA addressees and only one military recipient.
